PROSPECT PARK GARDEN DAY

Come celebrate Spring with your Neighbors
Saturday May 2nd from Noon until 5pm

Learn the basics of Organic Gardening
Class Session 1-3PM

This class was offered in other neighborhoods for $20 per person
We are asking for a small donation to cover the cost of the instructor ($5-$10) but it is not mandatory

Perennial Plant, Seed, and Seedling Exchange
Bring any extra plants or seeds you might have and trade them with your neighbors.

PICNIC - Share Ideas and Food
Bring a dish to pass and some food to grill. We'll fire up the park grills and have a picnic.
Please Bring your own utensils and some for sharing

FUN DAY - Bring the Kids and Games to Play
We are trying to arrange Children's Garden Activities, Face-Painting, and some organized games but we will need your help making this as fun as possible.

PRESENTATIONS - By Local Groups
We are trying to arrange for local gardening groups to share information and resources on things like 4-square gardening, Rain Barrels, Composting with Worms, Urban Chickens, and other things.

HELP THE CAUSE
This is a drop-in event, just one big open community picnic, so it will only be as good as people make it. The hope is for everyone to participate fully and have a good time.
If you have an idea, are willing to help or maybe donate a couple of bucks
